

Funding Opportunities for new research in TEL

You are interested in
advancing your research in:

...But you lack funding for finishing your Ph.D., future projects as a PostDoc?

Lack of Funding from National Ministries/
Research Foundations for your projects/Ideas

(Too) Much National Competition

Lack of Bilateral Exchange Programmes

HORIZON EUROPE FUNDS

A cartoon illustration of SpongeBob SquarePants, a yellow sponge character with large blue eyes and a wide smile, wearing a white shirt and a red tie. He is standing in front of a large, vibrant rainbow that arches over him. The background is a dark blue sky with white stars and a light blue horizon line. The overall scene is bright and cheerful.

*€95.5 billion
(2021-2017)

HORIZON EUROPE...also known for:

- A rather bureaucratic micro-management handling of budgets
- Strict financial audits
- A lot of standardized paper work & reporting you need to do for proposing, implementing and evaluating your project

YEAH SURE

I'LL GET RIGHT ON THAT

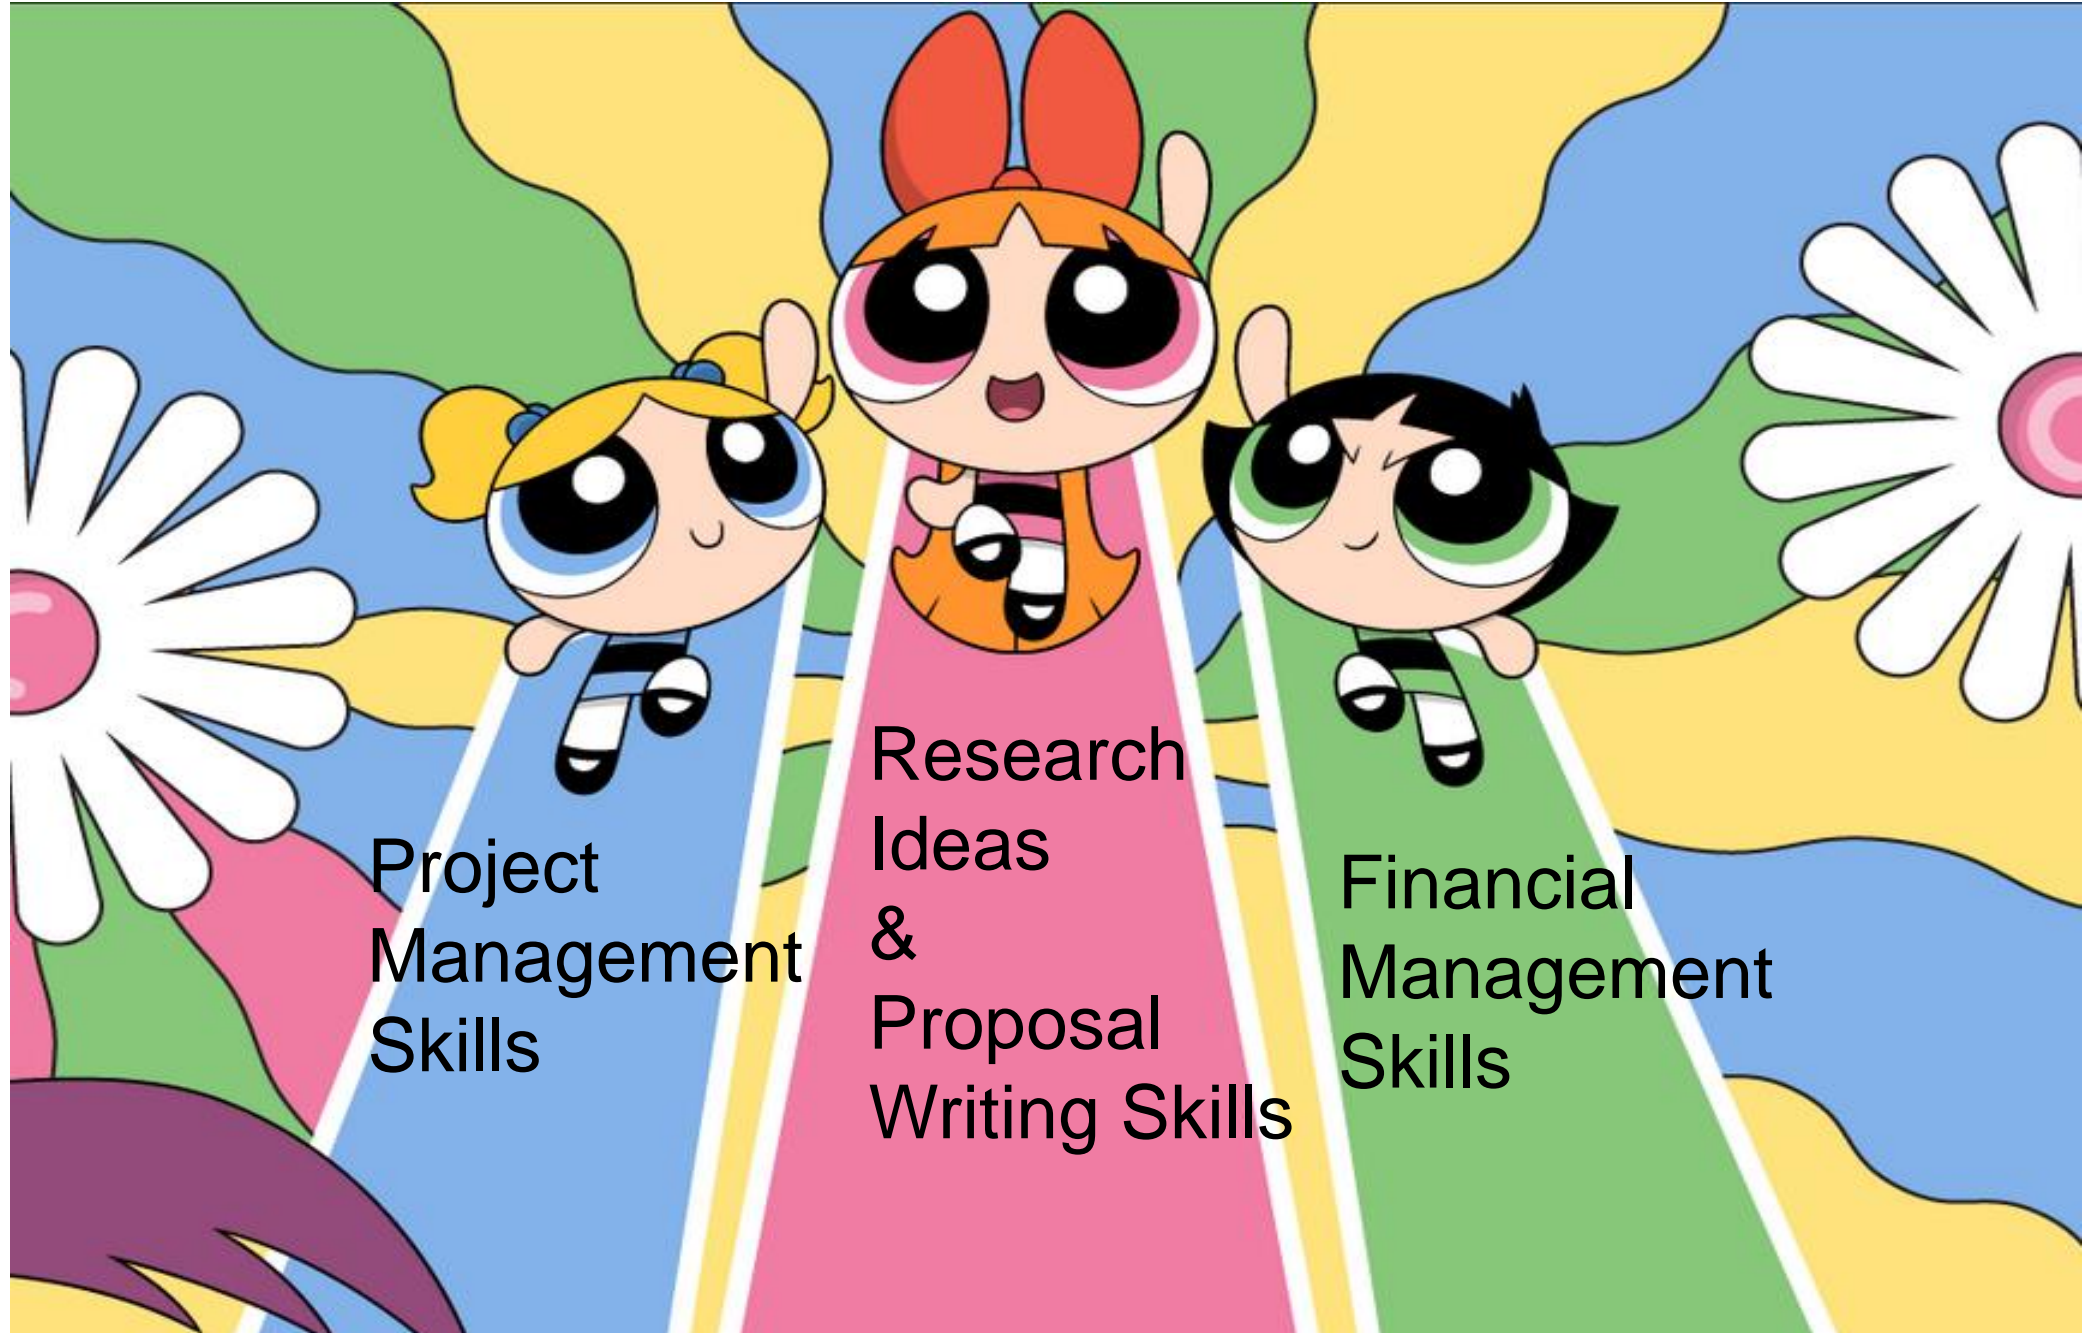

(Net-)Worth it!

- Establish middle- to long-term Funding Corridors for your Career/Institute/ Research Team
- Strengthen the International Networks you have and Support Each other with New Research Networks & Project

What do you need for that?
